

“He has told you, O man, what is good; and what does the Lord require of you but to **do justice**, and to **love kindness**, and **walk humbly with your God?**”

Micah 6:8

Pako & Pao

## A BIT ABOUT US

We have a deep passion for God and His global mission. We are thrilled to work with His church in the unity of the Spirit, especially in cross-cultural contexts. We are from Mexico, and it is truly encouraging to be part of the Latino movement among the nations and ethnic groups.

**Pako:** I served for eight years as a medical missionary in the mountains of Chihuahua, among an animist ethnic group. I was involved in medical work, evangelism and discipleship, social research, and the institutional development of a nonprofit organization that supports the ministry's work in the field.

**Pao:** Through different faith-based community development organizations I've served for six years among migrants from the 10-40 window, and marginalized urban populations in the United States, Mexico, and Spain. In these intercultural settings, I worked in translation, language instruction, and admin roles, as well as in evangelism, discipleship, and leadership training.

## CURRENTLY

**PAKO:** In 2020, the Lord gave me a new task: to develop a mobilization office focused on supporting His Latino church in training, sending out, and caring for missionaries. By God's grace and my experience on the mission field, I was able to identify, experience, and reflect on the challenges faced by workers and their sending churches. Through Pioneers, my mission agency, God opened the opportunity to found and lead the mobilization office in Mexico called PIMEX. **PAO:** After two years of serving with a church planting team in Spain, the Lord changed my plans returning me to Mexico to join Pako. In 2025 God provided time for closure, rest, and family care. Now we prepare for our wedding in Nov!

### PIMEX

We are a Latin American office dedicated to global missionary mobilization, committed to raising awareness, encouraging, training, sending out, and caring for the church and its cross-cultural workers..

## FOCUS AREAS

**Sending and Caring:** While the Lord is the one who calls on those who go, His church is responsible for their support. We have the privilege and task to provide comprehensive care for our brothers and sisters among the 440 ethnic groups where we serve.

**Leadership & Strategic Training** As ambassadors of Christ, it is our duty to take the authority we've been given and exercise it with wisdom and courage.

**Latin American Mobilization** We are experiencing a wave of revival in the church marked by greater passion and obedience to God. We must be wise and humble as we make the best decisions to establish His Kingdom today and the generations to come.

only **0.016%** of Mexican evangelical believers are missionaries.

Mexicans share a strong **cultural affinity** with many people groups where there is still no church

Mexico has the **second-largest** economy in Latin America and the **13th-largest** in the world

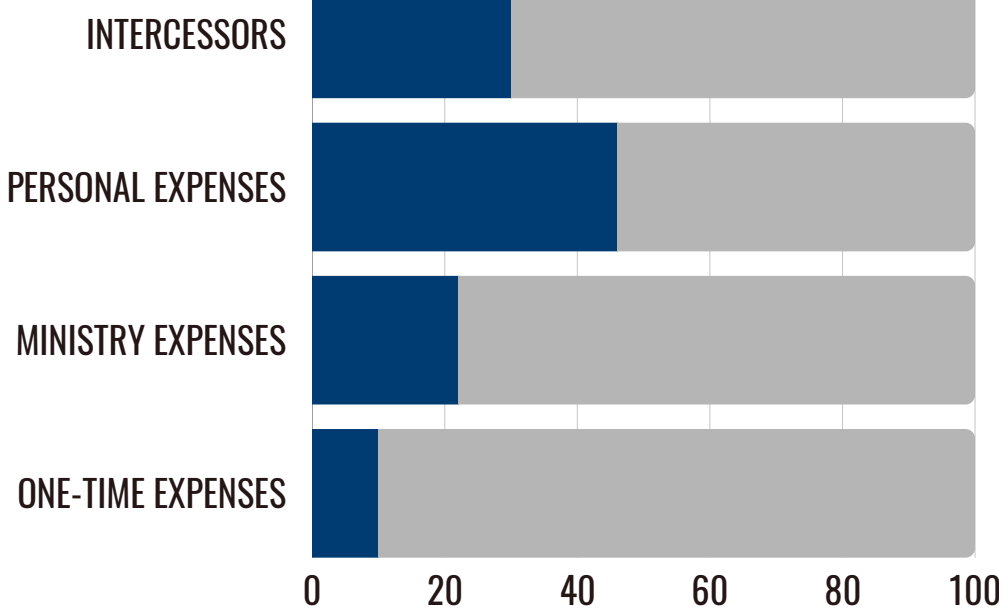

This is the ministry team we're praying for. It's made up of people just like you—friends willing to hold the rope allowing us to devote ourselves full-time to God's mission. If you're interested in joining the Koinonia Tribe, let's grab a coffee (in person or video) and let's chat some more!

This battle is fought on an unseen spiritual front. Our desire is to build a strong **Intercession Team** by sharing regular updates and prayer requests via email and WhatsApp. We would love to count on your prayers for us and for our ministry.
