MAULA & DIEULETTE JEAN-MARIE

Maula came to Christ while he was a homeless teen, and has a heart for young people who get left behind. He runs a preschool with 200 children aged 4-6, has planted 7 churches to date, and has an Orphanage with around 30 children.

HAITI
M/D

1. Church Planting and Bibles: with 25 churches planted, the harvest is ripe, and more Bibles are always needed for the leadership, and the growing Christians in Haiti.

2. Higher Education: The Ministry Institute for Leader Development has a partnership with Emmaus Seminary that allows Haitian pastors to get college degrees.

3. Orphan Education: Responding to the great need in the communities, our two orphanages work with the community to make sure everyone can grow. They also work with community schools for education for all of the children.

4. Food and Security: With their eye on the future, there are still many humanitarian needs today, and we make sure that they are met.

LUC & ROSANNA JOSEPH

Church planting and evangelism are the heart of Pastor Luc's ministry. To date he has planted 16 churches. Humanitarian ministry goes hand and hand with evangelism and church planting, as Luc started an Orphanage in 2010 as the result of evangelistic travels and finding so many orphaned children.
