World Renewal Needs:

Representatives

Representatives work to represent a country's mission field. They handle communication and trips to and from that country. They make sure to support all of the church ambassadors and advocates who also support missionaries and ministries within that country.

Church Ambassadors

Church Ambassadors work within a local church that supports a World Renewal partner or ministry, to strengthen the relationship with that partner and the whole church.

Advocates

Advocates are people who individually feel called to support a specific World Renewal partner or ministry.
